INTERGOVERNMENTAL NEGOTIATING COMMITTEE
FOR A FRAMEWORK CONVENTION ON CLIMATE CHANGE
Eighth session
Geneva, 16-27 August 1993
Item 8 of the provisional agenda

REVIEW OF THE ACTIVITIES OF THE INTERIM SECRETARIAT, INCLUDING REVIEW OF EXTRABUDGETARY FUNDS

Note by the Executive Secretary

Corrigendum

Page 11, paragraph 37 should read as follows:

37. A LAN is being installed in the offices of the interim secretariat. This will allow file sharing, document tracking, and central archiving of documents. Plans are being developed to extend the facilities of the LAN to connect it to the Geneva-wide Metropolitan Area Network (MAN) that is now being put in place by the United Nations, as well as to other relevant communications networks. This will take place after the move of the interim secretariat to its new offices at the GEC during the last quarter of 1993. At that time it will also be possible to increase collaboration and strengthen common services with the other Geneva-based elements of DPCSD, notably the INC-D.
